

ALL FIRST CLASS MEALS AND BEVERAGES ARE INCLUDED IN YOUR STAY

The culinary experience at MILIMA is a highlight in itself. Our cooks are among the very best, and do their outmost to serve highlights of the day, made by local products. You will feel as if you were dining back in the times of Karen Blixen, at beautiful candlelit tables served by attentive waiters.

Breakfast, lunch and dinner are all served at MILIMA Safari Lodge. There is no better way to start the day, than enjoying the morning buffet at the restaurant overlooking the nearby waterhole. A delicious lunch will be waiting for you when you come back after a bush walk or game drive. At lunch we always recommend you try some of the local brew or freshly squeezed juice.

Before dinner, please take your time to enjoy a drink by the pool or at your private terrace, overlooking the nature all around you. No doubt you will be able to spot animals while the sun is setting.

Dinner is always a 3-course menu served in typical African style either in the restaurant or as a BBQ at the "Boma", the traditional African fireplace.

If you like wine, please taste the excellent South African wines, and we assure you, you will never drink wines from any other continent.

After dinner enjoy the magic under the stars, the sounds from the African bush and the staff telling stories.

All you can eat and drink are included in your stay. Look forward to experience the South African cuisine.
